AMENITY AREAS. SPORTS. POOLS.

COLOGNE, 27 – 30 OCT. 2015

INTERNATIONAL TRADE FAIR FOR AMENITY AREAS, SPORTS AND POOL FACILITIES

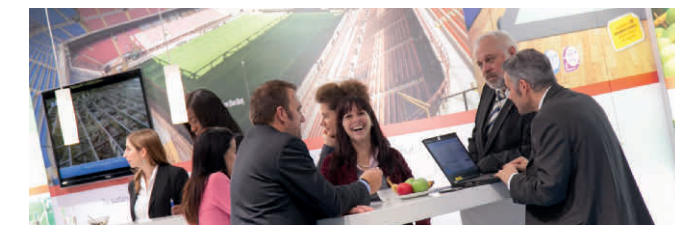

## IN THE LEISURE WORLDS OF THE FUTURE

**New momentum for realising your visions: at FSB, the industry's leading international fair, future trends in sports, playground, swimming and recreational facilities can be experienced today.**

Discover pioneering ideas, materials and designs from around 650 suppliers from 45 countries – a wide range of momentum for the design of urban living spaces. Here you will find all the solutions applicable to your facility planning and construction through playground equipment, amenity area planning and urban furnishing to public swimming pool construction, indoor and outdoor sports surfaces, artificial turf as well as ice sports.

Premiering on over 80,000 sqm: for the first time, the FSB and aquanale (the International Fair for Sauna. Pool. Ambience) fair duo will be presented in the highly modern Koelnmesse North Halls. This further improves the quality of your visiting experience and creates the perfect environment for effective networking. Use FSB 2015 to find new approaches. We are looking forward to welcoming you!

AMENITY  
AREAS

PLAYFUL

## DESIGN NEW OPPORTUNITIES

Have you made it your business to create playful and inspiring amenity areas? Are you interested in designing sustainable urban living spaces?

In order that you as public or commercial decision-maker, planner or landscape architect can meet social change with future-orientated solutions, FSB brings you together with highly innovative suppliers.

For the first time, FSB will unite the previously separate areas of playground equipment/playground planning and amenity areas/urban furnishing in Hall 9.

In addition, "StadtundRaum" will be represented at FSB in Hall 9 with an attractive special exhibition and themed concept.

Exchange thoughts and ideas with visionary thinkers from the games and playground, sports and recreational industries on urgent topics of the future, like demographic development, changing recreational habits and behaviours, accessibility, spaces for movement in the public sphere, outdoor fitness and playground safety.

SPORT

SUCCESSFUL

## FIT FOR THE FUTURE

Industries in flux: Experience concentrated innovative capabilities in a dynamic environment!

Halls 7 and 10.2 house the sport and leisure worlds, with sports facilities, equipment and apparatuses, sports facilities care, flooring, artificial turf as well as ice and winter sports – divided according to indoor or outdoor sport. Many activity areas for soccer, ice-skating and basketball (in cooperation with the Fédération Internationale de Basketball /FIBA) will showcase the potential of the services on offer.

New trends, new materials and technologies will give you more scope in the running of sports and leisure facilities. FSB has all the right topics for you in Cologne.

You can look forward to an event programme tailored to your interest, in-depth dialogues with leading experts and industry associations from the national and international sports sector!
